TITLE OF AGENDA ITEM: Temporary Use Permit for Outdoor Firework Sale (Seasonal Sales)

REPORT IN BRIEF: The applicant (Harvest Fellowship) is requesting approval of a Temporary Use Permit for activities associated with selling of fireworks outdoors under a tent for the 4th of July Holiday. The Town of Davie Land Development Code Section 17-8, Seasonal sales, defines the permitted time frame and the necessary facilities that need to be provided on site. The tent is located south of Stirling Road between N.W. 67th and 68th Avenue. Access onto and from the site is via Stirling Road N.W. 67th and 68th Avenue with parking in front of existing retail shops. For safety precautions, automobile traffic on site will be separated with barricades along the tent. In addition, the tent will also maintain building setbacks, have exit signs, no smoking signs, sand buckets, fire extinguishers, and water extinguishers. The petitioner has obtained an approval in writing from the owner of the property to use the retail shop parking lot. A satisfactory site plan accurately depicting all details of the request has been reviewed by the Development Services Department and is attached.

DURATION OF EVENT: The duration and hours of the request is June 28, 2004 thru July 4, 2004 from 9:00 a.m. to 9:00 p.m.

Section 12-319 of the Land Development Code requires that three (3) criteria be met for temporary use permits:

- (1) Any nuisance or hazardous features involved is suitably separated from adjacent uses;
- (2) Excessive Vehicular traffic will not be generated on minor residential streets; and,
- (3) A vehicular parking problem will not be created.

Staff finds that Harvest Fellowship "Outdoor Firework Sale" will be suitably separated from adjacent uses, there will be no excessive traffic generated on minor residential streets, and a vehicle-parking problem is not anticipated. In addition, the following conditions apply:

- (1) **Any temporary use authorized by Town Council shall be approved and accepted as to all terms and conditions by the applicant in writing within ten (10) days of the date such temporary use is authorized.** The applicant shall file such authorization with the Development Services Department.
- (2) A building permit must be secured prior to the event.
- (3) All concerns and comments as identified by reviewing agencies on the building permit must be addressed prior to the issuance of a Building permit.
- (4) Provide proper traffic control devices, such as barricades or cones, around the tents.
- (5) The permit shall be valid only for the time specific from June 28, 2004 thru July 4, 2004 from 9:00 a.m. to 9:00 p.m.

CONCURRENCES: The Development Review Committee has reviewed the application and has no objections to the request.
